## A REAL LOVE

### Verse 1

This is full transparency

Sometimes I deal with insecurities

'Cause it can be so hard to see

All of the beautiful things about me

### Pre Chorus

There will be some days

When you're in a space

Take a look in the mirror and say

I'm exactly who He meant to create

### Chorus

Took a while, now I see (a real love)

It was God inside of me (a real love)

Finally I'm free (a real love)

To be the me that He designed me to be

### Verse 2

Now I'm not acting like it's all alright

Sometimes I still have to put up a fight

And remind myself just who I am

Every flaw I know He understands

### Pre Chorus

### Chorus

### Bridge

And now I'm in love

I'm in love, I'm in love, I'm in love

'Cause God is real love

God is love, God is love, God is love

Repeat

### Anita's Flow

They don't even know

Some days I've been on that stage kinda in a daze

Feelin' like I wanna go (Where you goin?)

Anywhere that I won't be seen

Do I look okay? Am I really good enough? Do I fit in?

Girl ride the wave and catch that stream

Good vibes

I can only be me, yeah

So gon' and let em see (let em see!)

That light that only I can shine

It's not me y'all

It's God using what's on the inside, yeah

After lovin' and losin' I really see

Everything we doin' here is only temporary

Don't want my time to catch me up before I'm ready

The road'll be a little rough but God'll keep me steady

You see the clock is tickin' and one day it'll run out

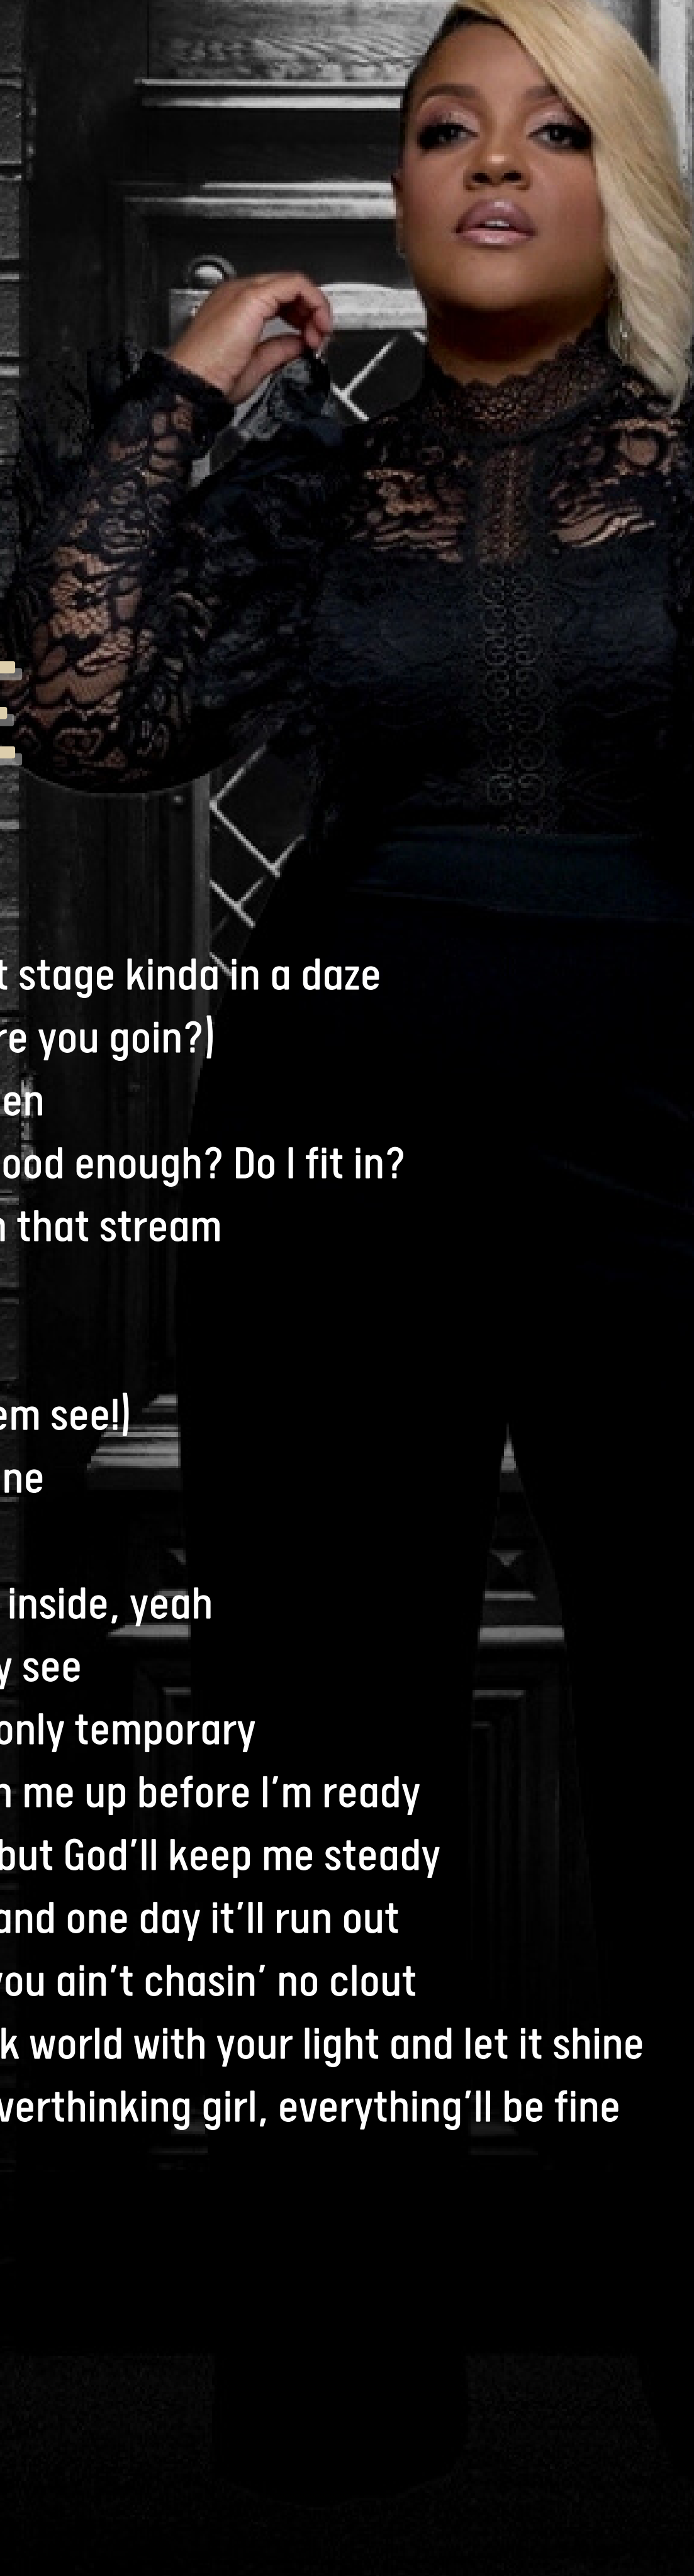

Man you better make sure you ain't chasin' no clout

But rather hit this dark, dark world with your light and let it shine

Oh yeah, and stop all that overthinking girl, everything'll be fine

### Chorus

## MAKING WAYS

ft. B. SLADE

### Verse 1

There are times it feels that God has forgotten all about you

Mmm but I want you to know that He has a special plan for you in mind

Every now and then the load gets a little bit'a heavy, ugh

But I'm a living witness, He'll show up for you in the nick of time

Ahhh, I came here to tell you

### Chorus 1

He's still making ways (repeat)

Making ways out of no way

Keeps keeping me everyday yeah

He's still making ways

Too much for me to tell

I know him for myself

Awh, listen...

### Verse 2

I believe in my heart that the Lord'll never ever leave ya

Just take a second and think about the times He came through before

(Now I know) it's rainy, dark and cloudy weather

Lord have mercy (Just keep your mind on Him)

He'll give you peace in the middle of the storm

Aaahhh, I came here to tell ya

### Chorus 2

He's still making ways (repeat)

Yay

Yesterday, today and forever

Don't you worry 'bout a thang

He's still the same

He's still making ways

### Bridge

Oh, Can I tell you a little story

I remember Job lost everything he had

His kids, servants, his crops and animals, his wife said it was lookin' real bad

Yay, yay, but he still said though He slay me, yet will I trust Him

And he got back everything he needed and more

All I'm tryna say, all I'm tryna say is

He'll walk witchu

He'll talk witchu

He'll let you know everything is gonna be alright (repeat)

### Vamp

He's still making ways, He's still makin' em!

I want everybody to know, He still making ways, yeah

Don't have to think back too far

He woke me up early this morning y'all

He's still making ways, yeah

Every time I turn the lights on, Every time I have food in my belly y'all God did it again!

Things aren't always perfect! But I decided to be like Job "Though He slay me Yet will I trust Him"

Oh yeah

HE AIN'T DONE YET Y'ALL!

(B.Slade!)

He's still making ways

Making ways outta no way

When I couldn't make a dollar

He made change (huh)

Turned it all around and rearranged things

And I'm really glad about it

And I'm really glad about it

He's still in the blessing bidness yeah

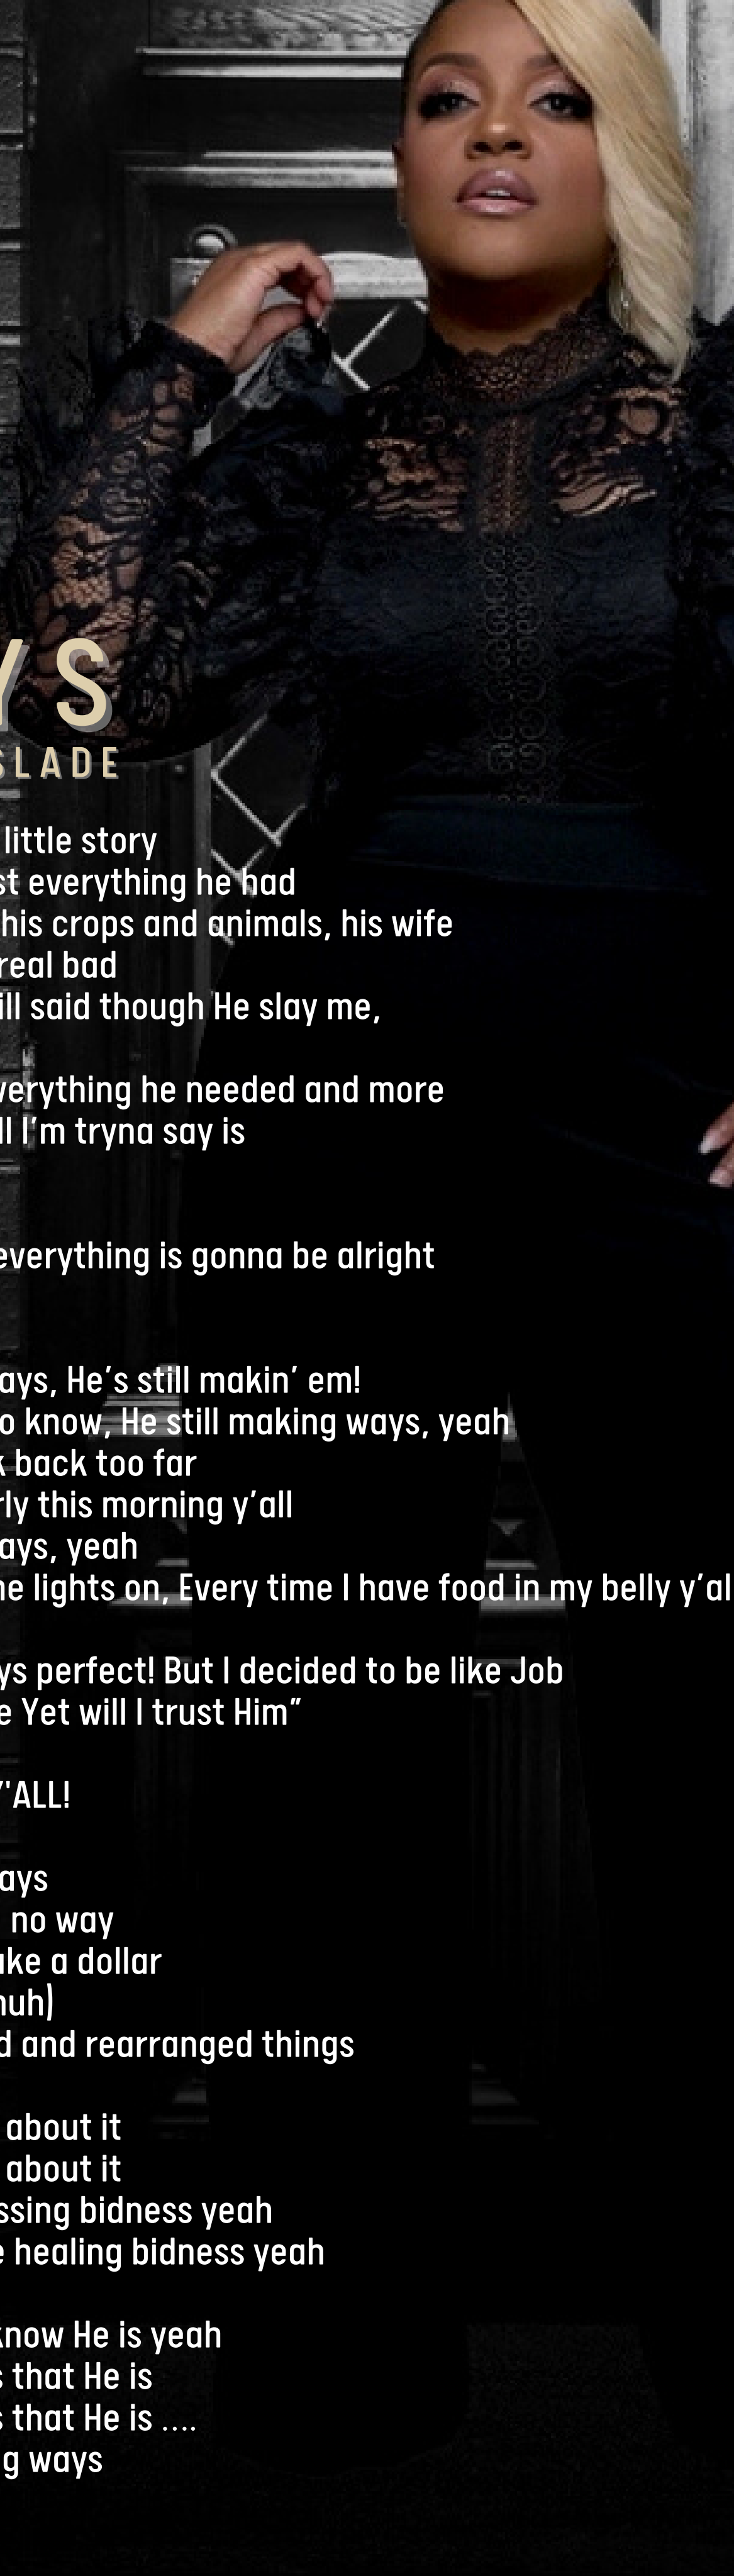

And He's still in the healing bidness yeah

You ask me how I know He is yeah

I'm a living witness that He is

I'm a living witness that He is ....

Jesus is still making ways

## IT HAS TO BE YOU

### Verse 1

Options can be so overrated  
All I need is You  
Was yearnin', searchin' just for something' that I  
could hold on to  
I'd give up everything I have  
There's nothing I won't do  
Ooh  
Mmm it just ain't nothin' that compares

### Chorus

It has to be you  
Doesn't matter what I lose  
Nothing will ever change my point of view  
My choice will always be You  
It has to be You  
Here's my heart do what You wanna do  
Just as long as I am next to You  
It has to be You

### Verse 2

It makes me happy just to know  
That You will never leave, never leave  
I got no time for distractions  
It's all about You and me  
Whatever I can do to show You  
That You can count on me  
Count on me  
I'm at the point of desperation

### Chorus

It has to be you  
Doesn't matter what I lose  
Nothing will ever change my point of view  
My choice will always be You  
It has to be You  
Here's my heart do what You wanna do  
Just as long as I am next to You

### Bridge

You are the love of my life  
With you everything is just right  
Wherever You go I'll be by Your side

### Chorus

It has to be you  
Yay yeahhh  
Doesn't matter what I lose  
Nothing will ever change my point of view  
My choice will always be You  
It has to be You (I don't want nobody but you, oh)  
Here's my heart do what You wanna do (I know that I will  
be safe with you)  
Just as long as I am next to You  
My choice will always be  
(All I know is it's got to be you) yeah

Ladies & Gentlemen, Jonathan Dubose...

Gotta be next to you, gotta be next you, gotta be next  
you yeah, It's got to be you!

**YOU ARE NOT ALONE**

You are not alone  
You're never too far  
For God to feel your pain  
And heal your broken heart

So it's okay to cry  
Those tears will make you strong  
He's never left your side  
This hurt won't last too long

**IF/THEN**

**IF/THEN A CAPPPELLA**

If my people who are called by My name  
Would humble themselves  
Pray and seek My Face  
And turn from their wicked ways  
Then will I hear from Heaven  
I will forgive their sins  
You have My Word that I will heal the land

## HONOR YOU/NO GREATER LOVE

You, there is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You  
Repeat

There's no greater love than the Love that You have for me  
You died unselfishly, I can't imagine where I would be  
If You didn't give Your life for me  
It's so amazing that You thought enough of me  
To shed Your blood on Calvary  
There is no greater love than You

Repeat

There is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You  
There is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You

## LAST TIME

### Verse 1

Tell me how you heal a broken heart  
Seems like it's more than I can bear  
But I'll keep tryin' to make it without you  
Somehow I still feel you right here

### Pre Chorus

So many things I didn't say  
Opportunities that I didn't take  
Can we please press rewind and replay

### Chorus

I should have hugged you a little longer  
Kissed you a little stronger  
Held you a little tighter  
If I had known it was gonna be my last time  
If only I could make it better  
But only you can really make it better  
Walk through any kinda weather  
If I could go back to my last time

### Verse 2

My love will never be past tense  
It doesn't really matter what happens, no  
I'll be holding on to your essence  
Forever you'll be in my presence

### Verse Outro

I wanted you to stay  
But it was time for you to go away  
Still I can't shake this feeling

### 2nd Pre Chorus

So many things I didn't say  
All of the memories that I didn't make  
Can we please press rewind and replay

### Chorus

### Bridge

I hate feeling this way  
Man you just can't understand how much I miss you  
Ohhhh  
Guess I gotta move on  
Just can't help but wait 'til the day that I can see you again  
When I do I'm gonna...

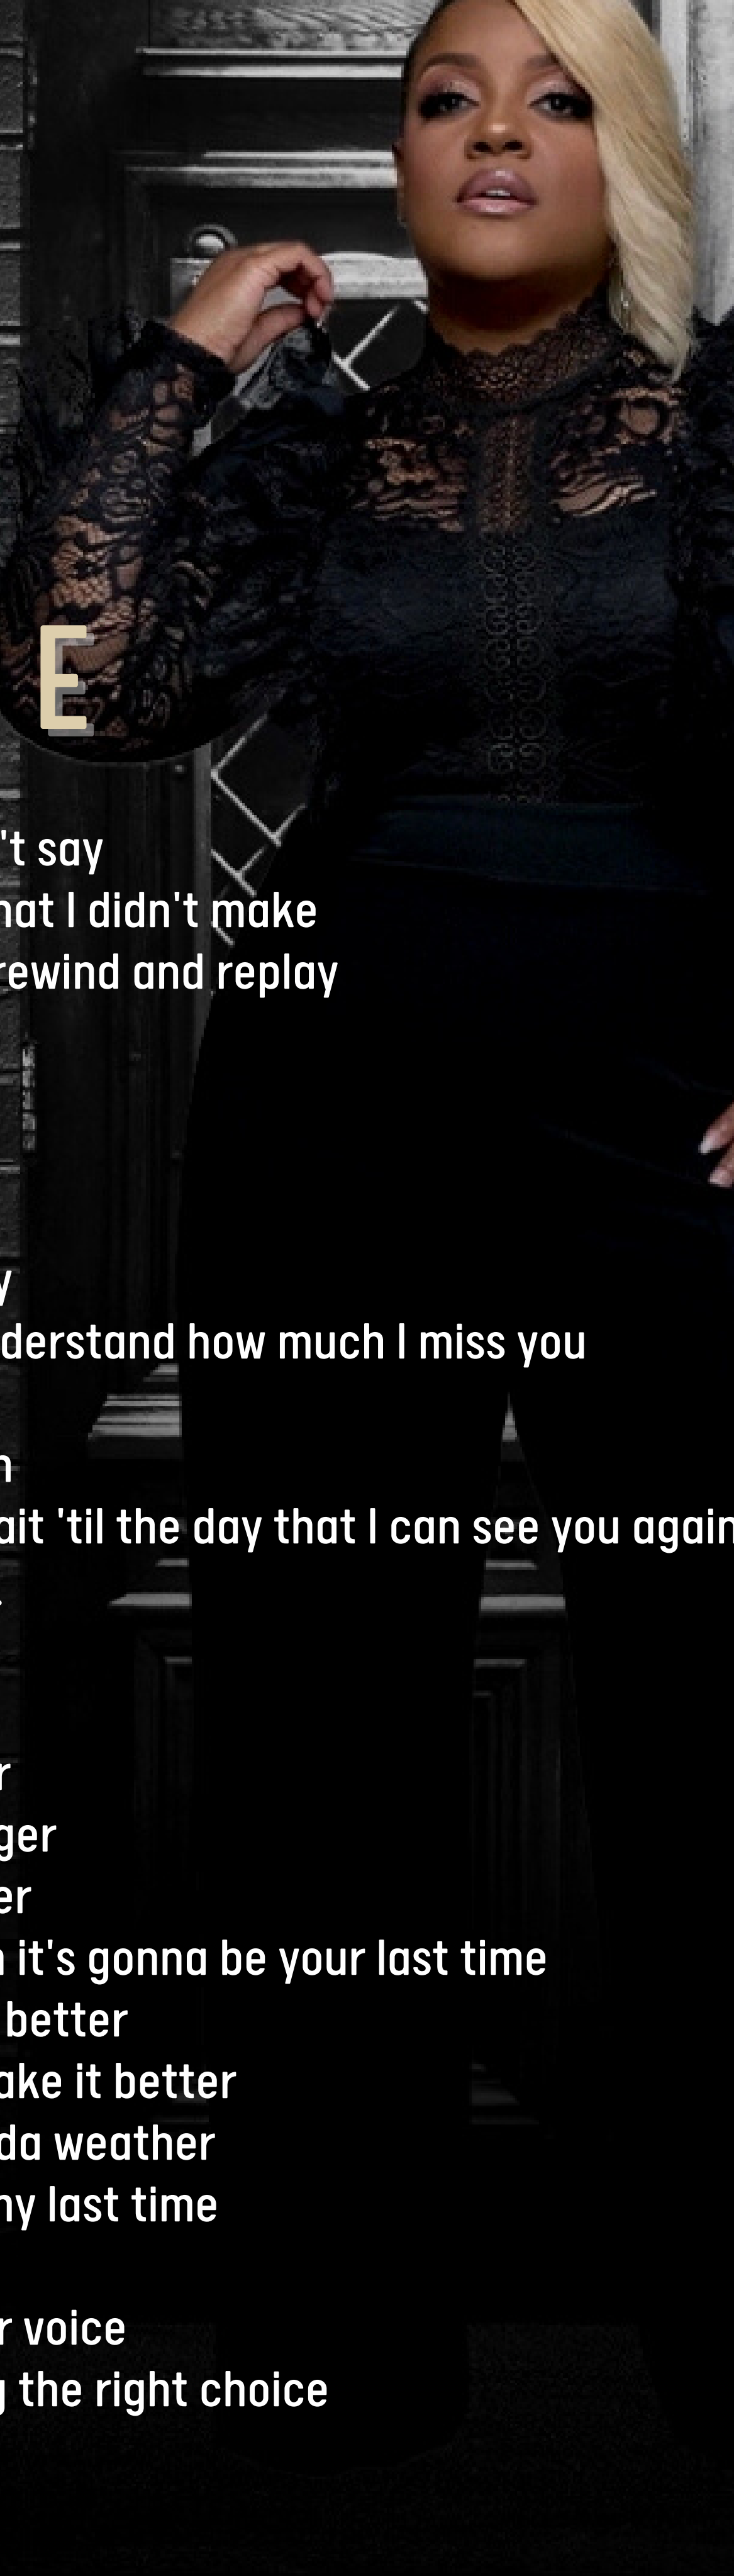

### Final Chorus

Hug you a little longer  
Kiss you a little stronger  
Hold you a little tighter  
You never know when it's gonna be your last time  
Always try to make it better  
But only can really make it better  
Walk through any kinda weather  
If I could go back to my last time

Oh I miss hearing your voice

Tell me you're making the right choice

If I could go back...

## OUT HERE TRUSTING GOD ft. RUBI GREEN & KINCY

### Verse 1

Woke up with my purpose on my mind  
Decided I ain't wastin' no more time  
I'm on my grind  
Nothing's impossible with Jesus on my side  
Now every day  
I be out here walkin' by faith  
That's why I make the moves that I make  
And I won't break  
There ain't nothin' that can stop this wave, yeah

### Chorus

I'm just out here trusting God  
I be prayin', listenin' to what He sayin'  
I ain't playin'  
I'm just out here trusting God  
I already claimed it, patiently waiting yeah  
Out here trusting God  
Every day I'm striving new things on the horizon  
I'm vibin'  
Out here trusting God  
I don't have to see it  
I already believe it

### Verse 2

I remember every promise that He made  
Just know my trust in Him will never fade  
It don't matter how long it takes  
If it means forever, I'ma stand right here and wait

I be out here walkin' by faith  
That's why I make the moves that I make  
I won't break  
There ain't nothin' that can stop this wave (wave)  
Chorus

### Rubi's Bars

People call me crazy  
Cuz I trust somebody that I can't see  
And I believe with everything in me  
That I'ma get all the things that He told me  
So I live my life care-free  
Knowing that He is the key  
And He got everything I need  
That's why they call Him the King of kings  
So I go have fun  
Create a little debt  
Then get back to work and break the internet  
Cuz He is the bag and He is the check  
He got the plan  
He know what's next  
So every day I go a little higher  
Waiting on Jehovah Jireh  
Remember the ones who told ya  
Nobody but Rubi and Anita!

### Chorus

I'll trust in The Lord, yes I will
